Special Sessions

Special Sessions are solicited aiming to explore special topics that will provide an avenue for a group of Authors to collaborate, discuss, and share related research ideas, results, experiences, approaches, and methods.

The Special Session proposals and other supporting documents must be sent through events@innotcs.org or intechconverge@gmail.com until January 20, 2024.

Registration

The Corresponding Authors of accepted papers will receive an acceptance notice with registration instructions and will be required to submit the full paper (with revisions according to the review results).

The conference paper registration will be USD480 for ITCS member participants and USD 560 for non-ITCS member participants which is inclusive of the following:

- Conference Kit and Program
- Lunch and Snacks
- Certificate of Participation for the Attendees
- Certificate of Presentation for the Presenters
- Certificate of Recognition for Best Papers
- Conference Proceedings with ISBN
- Submission processing of selected good quality papers to International Journals indexed by SCOPUS, EI Compendex, or SCI(E) [Note: Conference registration fee DOES NOT include the Journal Publication fees].

The Third International Conference on Innovative Technology Convergence will be held in Jeju Island, South Korea on March 28-30, 2024.

CITC 2024 is an international conference organized by the Innovative Technology Convergence Society Inc. (ITCS) to provide an avenue for Researchers, Scientists, Educators, Engineers, Distinguished Scholars, Professors, and Industry Practitioners to share related research ideas, approaches, and methods in various areas of Information and Communications Technology (ICT).

The conference aims to address the new challenges and opportunities in embracing change and transformation in the new normal. The conference can become an opportunity to discuss pertinent facts, ideas, innovative technologies and solutions, and theoretical studies that have emerged through the convergence of innovative technologies for the development of various applications in different fields.

Important Dates and Deadlines

- Paper Submission: October 1, 2023 – January 31, 2024
- Acceptance Notification: February 12, 2024
- Full Paper Submission and Registration Due: February 26, 2024
